

# MARKET BROKER

## PRESS RELEASE

May 17, 2017

## Director of Sales Appointment

**New York, NY**—Market Broker International, a leader in wealth management and corporate and institutional services, announced today that Jonathan Hartman has been hired as the Director of the Sales Department.

Market Broker is pleased to announce that Jonathan has joined our company and will be responsible for increasing the revenue generated from the retail investment unit's sales of Market Broker's wide array of financial products, with our veteran team of sales agents. He will head up our teams with his well established talents as a relationship builder and analytical and leadership skills. Jonathan will continue to develop market and business strategies, train and develop existing and new sales agents for sales expansion and improvement of existing opportunities in our target markets. He will ensure that investment products marketed are in accordance with Market Broker's strict compliance guidelines and service standards and will continually evaluate business strategies and tactics to meet the volatility of the ever changing markets.

Jonathan has worked in the financial industry for over 25 years and started off as a trader for Merrill Lynch in New York when he graduated from University of Pennsylvania (BSc Finance). After trading for several years he decided to expand his knowledge and went back to university to get a masters in International Finance from Columbia. Upon graduating he moved to Hong Kong (Institutional Sales) and developed his finance skills before moving to London (Head of Retail Sales) and then back to New York. He is a member of many international finance oversight organisations.

**Market Broker International** offers a wide array of personal trust, planning, fiduciary, asset management, private banking, and family office services designed to help high-net-worth individuals and families grow, preserve, and transfer wealth. Market Broker International focuses on High-Net worth Individuals with whom it can build long-term relationships, many of which span multiple generations.

Market Broker International also provides Corporate and Institutional Services for clients around the world.

Market Broker International has clients in numerous countries, with offices throughout the United States and Japan.
